FULLY CUSTOMISABLE E-COMMERCE SYSTEM

HOW DOES IT WORK?

Domain Name Shop is a fully customisable e-commerce system to enable you to sell and manage hosting products and domain names via your own website. Domain Name Shop is also brandable and can be seamlessly integrated into your website by using your company colours, fonts and even company logo.

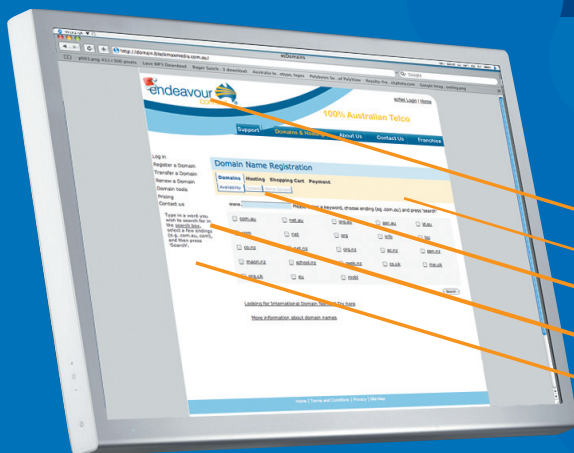

To view a couple of examples of how this method has been integrated into websites please visit the following sites:

- Company contact details

HOW MUCH DOES IT COST?

Domain Name Shop is absolutely FREE for our TPP Internet Reseller Partners and is the best way for you to offer your clients a one-stop-shop solution for all their online needs.

WHAT ARE MY PAYMENT/BILLING OPTIONS?

OPTION A

WITH OUR MERCHANT FACILITY

- ✓ The client's credit card transaction is processed entirely by TPP Internet (using our online merchant facility).
- ✓ You, the reseller, will receive your commission for any sales processed this way.
- ✓ The commission will be paid by the 14th of each following month. For example, if a domain name has been purchased in August, TPP Internet will pay your commission by the 14th of September.
- ✓ 25c Credit Card Fee – no monthly bank costs!

OPTION B

WITH YOUR OWN MERCHANT FACILITY

- ✓ The client's credit card transaction will be processed entirely by your own online merchant facility - TPP Internet is not involved in the payment process in any way.
- ✓ You will need to set up a credit card gateway with our provider. TPP Internet will supply the form on signup for Domain Name Shop.
- ✓ There is a one-off setup fee of \$175.00 to create your account. Our friendly sales staff will assist you in setting up your credit card gateway.

OPTION A – EXAMPLE OF COMMISSION STRUCTURE

Retail Price (set by Reseller)	Wholesale Price (set by TPP)	Credit Card Fee \$0.25	Commission Paid
\$99	- \$39	- \$0.25	\$59.75
